Re: Telecom Request of 23 December 1964

25X1A

1. In compliance with your request, a limited review has been performed of the data supporting the contractor's proposal for follow-on work in connection with the [redacted] Planning Operation and Feasibility Phase.

2. Results of the review, related to the initial and revised proposals is presented in the attached schedule. Pertinent comments are contained in the following paragraphs.

3. In accordance with our telecom on 9 February 1965, I discussed with [redacted] the possibility of this follow-on work being prepared on a fixed-price basis. He was agreeable to submitting a fixed-price proposal; however, he stated that he would have to use a higher overhead rate and felt that the risk
